**IMPORTANT INFORMATION**

Section 316.613, Florida Statutes, requires every operator of a motor vehicle transporting a child in a passenger car, van, automobile or pickup truck registered in this state and operated on the highways of this state, shall, if the child is 5 years of age or younger, provide the protection of the child by properly using a crash-tested, federally approved child restraint device. For children aged through 3 years, such restraint device must be a separate carrier or a vehicle manufacturer's integrated child seat. For children aged 4 through 5 years, a separate carrier, an integrated child seat, or a child booster seat may be used. For limited exceptions, see s. 316.613, F.S.

S. 320.0605, F.S., requires the registration certificate, or true copy of a rental or lease agreement, issued for any motor vehicle to be in the possession of the operator or carried in the vehicle while the vehicle is being used or operated on roads of this state.

S. 320.02 and 627.733, F.S., requires personal injury protection and property damage liability to be continuously maintained throughout the registration period. Failure to maintain the mandatory coverage may result in the suspension of your driver license and registration.

**Important note:** If you cancel the insurance for this vehicle, immediately return the license plate from this registration to a Florida driver license or tax collector office or mail it to: DHSMV, Return Tags, 2900 Apalachee Parkway, Tallahassee, FL 32399. Surrendering the plate will prevent your driving privilege from being suspended.
